## THE SPIRE NEWSLETTER

**A NOTE FROM REV. TINA:**

*"I am about to do a new thing; now it springs forth, do you not perceive it?"*

~Isaiah 43:19

Dear First Church and Friends,

The other day when I was out running it was a little warmer than usual. I had on my leggings which go down to my calves. For some reason, the one on my left leg always rolls up to my knee which can be annoying. I had on my favorite white, and neon green running hat and a short-sleeved shirt. I was sweating up a storm. The humidity was high, my pant leg was rolling up, sweat was dripping off my nose, the sun was shining down on me and I was struggling to breathe. I was running along 130 on the sidewalk by the pediatric offices thinking I still have about another mile to get home. That's when it hit me that I needed to practice what some runners call a *gratitude mile*.

You use a gratitude mile when you are out on a run and it is a struggle; maybe your legs feel heavy, it is a hot day, you have low energy, or you just are not feeling the run (like I was). A gratitude mile is when you shift your thinking from all the negative going on in your run (the temperature, how heavy your legs are, labored breathing, etc.) to things you can be grateful for such as: I am thankful for the trees providing me shade on this run, or I am thankful for my new sneakers, or I am thankful for my good health allowing me to run, or I am thankful I live in an area that I can run outside. A gratitude mile shifts a person thinking from negative into positive. So, I gave it a try on that hard run and low and behold....it worked! My run felt so much better! My legs were a little bit lighter, my breathing was not as bad, my pant leg was still rolled up, but I made it home still jogging and in a much better mood.

Our thoughts are powerful. This election season, no matter how the election turns out, we as individuals and as a faith community have a lot we can be grateful for. No matter who wins the election for president, senator, state representative or anything else, the sun will still rise the next day and we have a choice in how we approach each situation.

So when November 4 comes I invite you, no matter if your candidate(s) wins or loses, to take time that day and make a list of 5 things you are grateful for. I know one of mine will be having the opportunity to lead this wonderful community. I am grateful for you.

May you be grateful and may you be kind to yourself and others.

Blessings,  
Rev. Tina

P.S. Many have been asking if we will be back in the church building for Advent and Christmas. As you will read in the update from the Sanctuary Restoration Team, it has been found that the steeple is in need of structural repairs which will delay the timeline. This means we are putting on our creative hats and will worship together in NEW ways this Advent and Christmas Eve. Stay tuned for more information. It won't be the same however *God is working in a new way, can you not perceive it?* We will create new memories and witness Christ's birth among us. Nothing can keep the light of Christ away!

**SCHOOL NEWS CONTINUED:**

Many, many thanks to Betsy Pottey the energizer bunny helper, for her work organizing and preparing Trek or Treat! And thank you to all the stops along our Trek for welcoming the trekkers. It was a joyous and playful time of making connections with our church family!

Thanks to Diane Ranney for teaching our church school for the month of October. We learned a new song, sculpted clay, blew bubbles (sort of), and found out more about God's promises.

If your family hasn't had the chance for a Getting to Know You meeting with Rev. Jennie, be sure to email her at [revjennieval@comcast.net](mailto:revjennieval@comcast.net) to set up a Zoom or in-person meeting. Time together helps us better serve your family's individual needs.

**Advent Workshop - Paint and Play Online December 4th @ 6:00 p.m.**

Families and individuals are invited to paint a wooden nativity and prepare for the Holy season of Advent. We will demonstrate that "we believe even when..." we are distanced from each other, the Christ Child will come again to fill our hearts with hope, peace, joy, and love! A full kit including all needed paint and supplies will be available for pickup or delivery. Cost is \$15 per family. If finances are an issue, please contact Rev. Jennie; no families will be excluded. We will gather on Zoom for a time of learning and crafting, and making our hearts ready for the music and light of that wonderful gift of Jesus. Gather your whole family for this fun workshop. Please RSVP by November 10 by emailing Rev. Jennie here: [revjennieval@comcast.net](mailto:revjennieval@comcast.net) or call the church office at 508-888-0434. Faith Formation will send more details about 1 week before the workshop. Zoom information will be provided once you RSVP.

**Christmas Pageant!** Yes! We will be presenting a Christmas pageant this year. It will be done on video. Participants will

record themselves in costume from the safety of their own home. Rev. Jennie will come record folks if that is helpful. If your child would like to participate, please click here and write your child's name in the body of the email: [revjennieval@comcast.net](mailto:revjennieval@comcast.net) and let her know who would like to participate. Many thanks to Debbie Barrette, Joanne Saunders, and the Faith Formation Ministry Team for making this happen.

**Traveling Nativity:** Mary and Joseph are on the road! We invite a different pair of people each Sunday to be our Traveling Nativity. Each Sunday from 12-1pm, Mary and Joseph will be positioned somewhere in Sandwich with a sign indicating what they are doing. Each Sunday will bring the Holy Family closer to "First Church Bethlehem." We will supply the costumes. You just need to dress and stand in the designated location on your Sunday. Won't our neighbors wonder what is happening? Will word spread that there are some unusual travelers around town? Help keep the idea of Advent – the traveling journey that leads to Emmanuel – God With Us – in the minds of our community. If you want to be part of this playful and intriguing opportunity, email Rev. Jennie at [revjennie@comcast.net](mailto:revjennie@comcast.net).

God's Spirit is with us no matter where we are and for that we can be eternally grateful! So come worship with us on Thanksgiving let us connect our hearts and prayers. ## WITH MALICE TOWARD NONE

*decrease election polarization in our community & regard those who voted differently without malice and with respect*

*Accept one another, then, just as Christ accepted you, in order to bring praise to God. - Romans 15:7 (NIV)*

1.) Consider the upcoming election, and its threats and opportunities. Decide if you would like to sign this pledge:

*"Regardless of how the election turns out, I will not hold hate, disdain, or ridicule for those who voted differently from me. Whether I am pleased or upset about the outcome, I will seek to understand the concerns and aspirations of those who voted differently and will look for opportunities to work with people with whom I don't agree."*

2.) Attend a post-election virtual gathering with others who voted and feel as you did.

3.) Attend a second post-election virtual gathering with others who voted and feel differently

**SANCTUARY RESTORATION PROJECT (SRP) UP-DATE:**

The sanctuary ceiling superstructure has been reinforced, and the ceiling has been refastened. The plan is to complete the painting of the upper portion of the sanctuary ceiling and crown molding and then dismantle & remove the scaffolding.

We removed loose insulation for better visibility of the structural reinforcing of the ceiling systems over choir loft and sanctuary. It became evident that the timber trusses that support the Belfry & Steeple have more than normal deflection and connection failures. The trusses are made up of heavy timbers & steel fasteners.

The Steeple has always had a slight, but visible "tilt" and we expect this breakdown has been ongoing for many years. The tilt seems to be directly related to the truss issues and the direction of the tilt is a confirmation.

Our structural engineer has inspected the Belfry & Steeple support structure. It was determined that the ceiling beneath the Choir Loft should be removed so that we could more closely inspect the entire structure. The timber truss deflection is continuing and many of the steel fasteners are in various stages of failure. We have installed temporary posts in the choir loft to secure the Belfry and Steeple while the new reinforcement design is completed. A second structural engineer has been engaged to assess and provide a peer review of the proposed design.

The Belfry & Steeple support system is a complicated & substantial effort. We are exploring alternative solutions. The cost, is significant. We are exploring differing some of the work that was initially planned, to be able to tackle this critical work, and initially stay within the \$230,000 that has been approved by the congregation. When we firm up the scope and cost of this added work, we will explore options to complete both the initial scope and the added scope.

*Thank you, The Sanctuary Restoration Project Team*

***"I Believe Even When...Fill the Night with  
Music and Light!"***

For Advent this year we are creating a booklet of poems written by members of First Church inspired by our theme for Advent: *I Believe Even When... Fill the Night with Music and Light*. All submissions are welcome and are due by November 15. These booklets will then be mailed to all members of First Church. Please email your poem to the church office at: [Sanducc@firstchurchsandwich.org](mailto:Sanducc@firstchurchsandwich.org).

**ADULT FAITH FORMATION OPPORTUNITY:  
Wise Women & Spirituality**

Howard Thurman reminds us, "How good it is to center down!" reflecting on the hunger deep in our spirits, the space where balance can emerge. In these unprecedented times, tasks pile on and we don't have access to the relationships or resources that ground us. The possibility for respite and retreat seems far away. We cannot go out, but we can follow Thurman's lead and go in, finding the presence of the life-giving Spirit right where we are, and the sacred in the ordinary. Join us for *Community and Conversations*! Spend six monthly evenings with wise women who have found ways to anchor and sustain themselves spiritually. Think of each session as a "micro-retreat," with conversation, practices, community, & experience of the gifts of each of these women. To register: <https://tinyurl.com/y33cz2nb>

**SUMMER CAMP PLANNING...ALREADY??**

Join us for a special Zoom information session to learn about the innovative new summer camp program Silver Lake will offer in 2021! Silver Lake Conference Center is our Southern New England Conference of the United Church of Christ's summer camp in Sharon, CT. It is on a beautiful lake, and boasts a fabulous low- and high-ropes course, comfy bunks, great game fields, and more!

## **HELP THOSE THAT HAVE HELPED US:**

Although First Church is not having a 2020 Holiday Happenings Fair, we still want to encourage our church family to remember all of the businesses that have repeatedly stepped forward to help make our Fair a success. Our local businesses are suffering from the effects of the pandemic. We encourage you to purchase from these businesses and while doing so let them know how much our church has appreciated their support.

We all miss the camaraderie, the laughs, the creative outlet and the food that accompanies working on the Fair. We hope and pray the 2021 Holiday Happenings Fair will be a huge success!
